HENAN SHUNYANG AMUSEMENT EQUIPMENT CO., LTD.

Innovative Experiences for Global Entertainment Venues

ABOUT US

HENAN SHUNYANG AMUSEMENT EQUIPMENT CO., LTD.

- Henan Shunyang Amusement Equipment Co., Ltd. is an integrated source manufacturer specializing in planning, design, production and project guidance.
- We focus on scenic-area attractions, themed decorative props, social-media photo installations, interactive amusement products and customized non-standard equipment.
- Our professional product engineering and manufacturing teams deliver high-quality products, reliable technical support and attentive after-sales service.
- Our promise is built on integrity: to make every product the best it can be.

01

COMPANY PROFILE

INTEGRATED MANUFACTURING

Integrated planning, design, production and project guidance under one roof.

CUSTOM SOLUTIONS

Tailored attractions, props and interactive products with flexible customization.

PROFESSIONAL TEAM

Experienced engineering and manufacturing teams delivering reliable technical support.

QUALITY & SERVICE

Committed to high-quality products and attentive after-sales service.

CUSTOMIZATION PROCESS

02
CUSTOMIZATION PROCESS

01

INITIAL CONSULTATION

Understand your needs, brand positioning and intended project type.

02

SITE SURVEY

Assess site conditions, customer profile or measurements from supplied plans.

03

CONCEPT & DESIGN

Develop the theme, project positioning and a tailored creative direction.

04

CONTRACT CONFIRMATION

Confirm the proposal, delivery schedule and payment terms, then sign the agreement.

05

EQUIPMENT PRODUCTION

Manufacture, test and commission each anit for safe, reliable operation.

06

INSTALLATION & DELIVERY

Complete installation, final approval and delivery of all products.

QUICK CATCH REACTION GAME SERIES

EXPORT-READY SPEED & REFLEX CHALLENGE

COLOR OPTIONS

ORANGE BLACK PINK CUSTOM

PRODUCT OVERVIEW

- Split-frame design for safer transport and simple installation
- Real-time LED counting with adjustable game settings

APPLICATIONS

Shopping malls, amusement centers, night markets, promotional events, exhibitions and team-building activities

POWER SUPPLY

110–240V AC / GLOBAL VOLTAGE

SHUNYANG AMUSEMENT
SHUNYANGYOULE

QUICK CATCH REACTION GAME PRODUCT SPECIFICATIONS

SPLIT-FRAME DESIGN

Modular construction makes transport, setup and daily maintenance fast and convenient.

REAL-TIME LED COUNTER

Bright digital display provides instant counting; optional coin operation is available.

TWO FRAME OPTIONS

Choose a space-saving half-circle base or a stable full-circle base.

GLOBAL VOLTAGE

110–240V wide-voltage input supports direct use in most international markets.

SPECIFICATION	DETAILS
Product Name	Quick Catch Reaction Game
Product Positioning	Export-ready speed and reflex challenge equipment
Overall Size	Half-circle: 2050 × 1200 mm; Full-circle: 2050 × 1440 mm
Packing Size	Half-circle: 1240 × 710 × 270 mm; Full-circle: 1470 × 810 × 190 mm
Gross Weight	Half-circle: 34 kg; Full-circle: 42 kg
Frame Material	1.2 mm thickened galvanized steel with electrostatic coating
Display Module	High-definition LED digital display with real-time counting
Lighting System	Color LED strip along the curved top frame
Stick Configuration	10 hanging foam sticks
Power Input	110–240V AC wide-voltage power supply
Packaging	Five-layer carton, corner protectors and stretch film
Package Contents	Main unit × 1, sticks × 10, power adapter × 1, bilingual manual × 1

BIG SLAP CHALLENGE SERIES

INTERACTIVE REACTION TRAINING GAME

CUSTOM COLORS

DC 12V

SHUNYANG AMUSEMENT
SHUNYANGYOULE

BIG SLAP CHALLENGE PRODUCT SPECIFICATIONS

REACTION SPEED CHALLENGE

Hit the illuminated targets to train reaction speed, focus and hand-eye coordination.

TIMER & SCORE DISPLAY

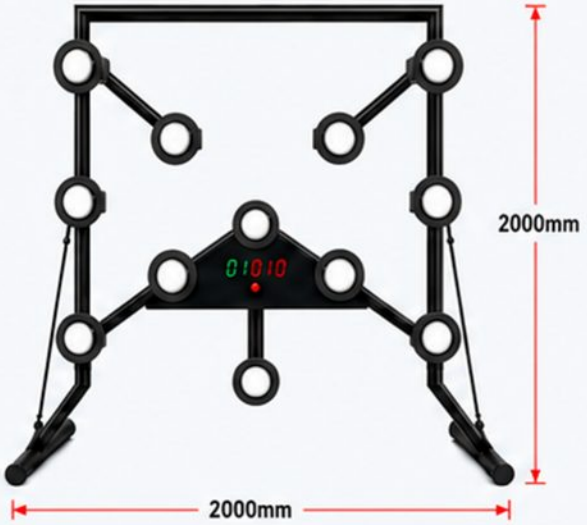

Bright digital display supports timing and score modes for clear real-time results.

ADJUSTABLE GAME MODES

Customize game mode, duration and target-light speed for different venues and users.

ILLUMINATED TARGET FEEDBACK

Built-in LED target lights activate on impact for clear visual cues and engaging play.

SPECIFICATION	DETAILS
Product Name	Big Slap Challenge
Product Type	Interactive amusement / fitness / reaction training game
Net / Gross Weight	Approx. 35 kg / 57 kg
Packing Size	Approx. 1815 × 205 × 1755 mm (L × W × H)
Overall Size	2000 × 2000 mm
Target Quantity / Diameter	12 targets / Standard 100 mm
Frame Material	Thickened metal tubing with black electrostatic coating
Display Module	Bright digital display with timing and score modes
Control Module	Customizable game mode, duration and light speed
Lighting Module	Built-in LED target lights activated by impact
Core Functions	Timed striking challenge, real-time scoring and light feedback
Installation	Easy assembly for multiple venues

3D PIN ART WALL SERIES

FULL-BODY INTERACTIVE IMPRESSION WALL

CUSTOM PIN COLORS

RED GREEN BLUE CUSTOM

PRODUCT OVERVIEW

A full-body interactive pin wall that creates instant three-dimensional impressions.

APPLICATIONS

Shopping malls, scenic attractions, family parks, events, pop-up stores and science museums.

CUSTOMIZATION

Size, shape, frame finish and pin color can be customized.

SHUNYANG AMUSEMENT

3D PIN ART WALL

PRODUCT SPECIFICATIONS

IMMERSIVE 3D IMPRESSION

Movable pins reproduce hands, faces and full-body shapes.

SAFE SOLID PP PINS

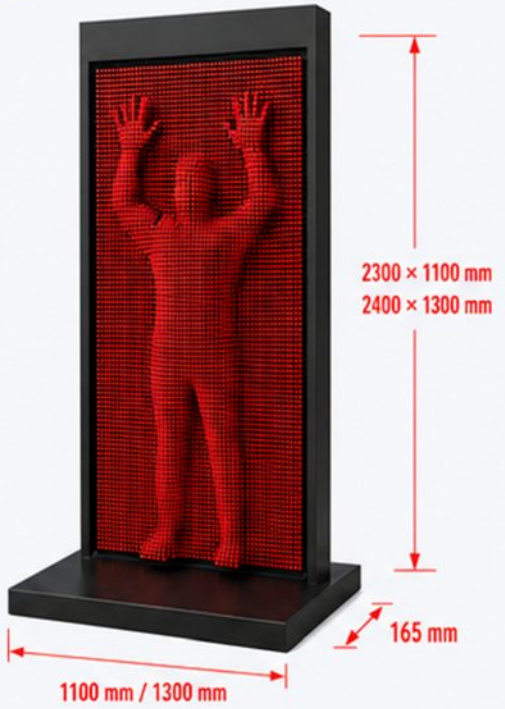

Smooth, odor-free and burr-free pins support family interaction.

HEAVY-DUTY STRUCTURE

Reinforced galvanized-steel frame and thick load-bearing base.

QUICK INSTALLATION

Simple setup after delivery with no complex assembly.

SPECIFICATION	DETAILS
Product Name	3D Pin Art Wall
Standard Size 1	2300 × 1100 mm (H × W)
Standard Size 2	2400 × 1300 mm (H × W)
Standard Thickness	165 mm
Net Weight — Size 1	Base: 31 kg / Body: 145 kg
Net Weight — Size 2	Base: 35 kg / Body: 175.5 kg
Pin Spacing	10 mm
Pin Diameter	0.7 mm
Pin-Cap Diameter	15 mm
Pin Length	280 mm
Main Frame	Thickened welded galvanized steel
Pin Material	Solid polypropylene with smooth rounded ends
Base	Thickened load-bearing steel plate
Packaging	Bubble wrap with reinforced carton or steel frame
Customization	Size, shape and color available

REACTION BUTTON WALL CHALLENGE SERIES

SMART LIGHT-AND-SOUND REFLEX TRAINING SYSTEM

TRAINING MODES

TIMED

COUNTDOWN

SCORE

PRODUCT OVERVIEW

- Ten large sensor buttons create fast-paced reaction challenges
- Real-time timing, remaining-time and score display

APPLICATIONS

Boxing gyms, team-building events, youth fitness training, adult reflex training and entertainment competitions

INSTALLATION

WALL-MOUNTED / CONCRETE OR WOOD WALL

REACTION BUTTON WALL

PRODUCT SPECIFICATIONS

10-SENSOR BUTTON ARRAY

Two rows of five large sensor buttons support fast, varied reaction drills.

6-DIGIT TIMER & SCORE

Bright LED display shows timing, remaining time and score in real time.

LIGHT & SOUND FEEDBACK

Buttons illuminate on activation while the adjustable buzzer provides instant cues.

WALL-MOUNTED DESIGN

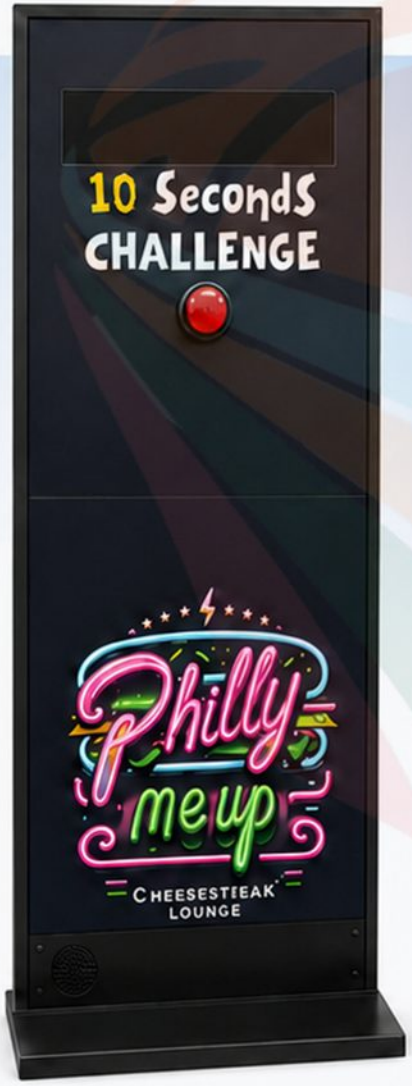

Expansion screws and mounting brackets secure the unit to concrete or wood walls.

SPECIFICATION	DETAILS
Product Name	Reaction Button Wall Challenge
Product Type	Smart reflex and reaction training equipment
Overall Size	1550 × 130 × 850 mm (L × W × H)
Button Layout	2 rows × 5 columns; 10 sensor buttons
Button Configuration	Button quantity and positions can be customized
Display Module	6-digit LED display
Display Modes	Real-time timing, remaining time and score
Feedback System	Illuminated button activation with buzzer prompt
Volume Control	Adjustable buzzer volume
Installation	Wall-mounted on concrete or wood surfaces
Mounting Hardware	Expansion screws × 4 and mounting brackets × 4
Included Accessories	Button × 1 and power cable × 1
Applications	Gyms, training centers, team-building and competitions

10 SECONDS CHALLENGE SERIES

PRECISION-TIMING INTERACTIVE GAME

PRODUCT OVERVIEW

Stop the timer at exactly 10.00 seconds. Simple rules, instant excitement and strong spectator appeal.

APPLICATIONS

Restaurants, bars, retail openings, exhibitions, pop-up shops, arcades and carnival events.

Press once to start and press again to stop.

HIGH-VISIBILITY DISPLAY

Large digital display is easy to read from a distance.

FREE POSTER CUSTOMIZATION

Add your logo, event rules and promotional artwork.

COMMERCIAL-GRADE CABINET

Heavy-duty galvanized steel with powder coating.

SPECIFICATION	DETAILS
Product Name	10 Seconds Challenge Game Machine
Cabinet Material	Heavy-duty galvanized steel, powder-coated
Poster Panel	High-quality Longka board; free custom design
Overall Dimensions	1800 × 700 mm (70.9 × 27.6 in)
Display Area	1200 × 540 mm (47.2 × 21.3 in)
Power Supply	Plug-and-play; continuous AC power
Operation	Press • Time • Stop
Applications	Retail, restaurants, bars, exhibitions and arcades

BUZZ WIRE GAME SERIES

PRECISION & HAND-EYE COORDINATION CHALLENGE

PRODUCT OVERVIEW

Guide the metal loop along the conductive track without making contact.

APPLICATIONS

Team-building events, trade shows, malls, carnivals and outdoor promotions.

INSTANT FEEDBACK

Contact triggers the buzzer and flashing red warning lights.

BUZZ WIRE GAME

PRODUCT SPECIFICATIONS

PRECISION LOOP CHALLENGE

Tests patience, focus and hand-eye coordination.

AUDIO-VISUAL ALERT

Track contact activates the buzzer and red warning beacons.

DUAL POWER OPTIONS

Supports AC plug-in power or an external DC battery.

CUSTOM TRACK DESIGN

Frame size and wire route can be customized.

SPECIFICATION	DETAILS
Product Name	Buzzer Buzz Wire Game
Game Type	Hand-eye coordination challenge
Standard Size	180 × 180 cm (70.9 × 70.9 in)
Frame Material	High-strength steel construction
Track	Durable conductive metal wire
Frame Border	Black-and-yellow hazard warning finish
Power Modes	AC direct power or external DC battery
Contact Feedback	Alarm buzzer and flashing red warning lights
Player Control	Handheld metal loop wand
Customization	Custom sizes and wire track shapes
Team-Building Use	Corporate events, camps and icebreakers
Promotion Use	Trade shows, brand tours and street events
Family Entertainment	Malls, carnivals, theme parks and pop-up zones

COMMERCIAL PRIZE WHEEL SERIES

CUSTOM-BUILT SPIN-TO-WIN EXPERIENCE

PRODUCT OVERVIEW

- Classic spinning raffle action creates instant engagement
- Custom prize sectors turn every spin into brand promotion
- Floor-standing, tabletop and custom-contour formats available

STANDARD FINISH NAVY • IVORY • FULL GRAPHIC CUSTOMIZATION

OPERATION MANUAL: NO POWER / LED-ELECTRONIC: 110–220V

COMMERCIAL PRIZE WHEEL PRODUCT SPECIFICATIONS

SHUNYANG AMUSEMENT
SHUNYANGYOULE

SPIN-TO-WIN ENGAGEMENT

Intuitive hand-spun gameplay draws crowds and builds excitement.

PREMIUM ACRYLIC PANEL

Clear, durable and easy-clean surface for repeated commercial use.

STABLE METAL BASE

A sturdy weighted frame helps prevent tipping during fast spins.

MANUAL OR POWERED

Choose power-free manual use or LED/electronic operation.

SPECIFICATION	DETAILS
Product Name	Commercial Prize Wheel / Lucky Spin Wheel
Primary Materials	High-quality acrylic panel; sturdy metal frame and base
Dimensions	Fully customizable in size, shape and overall contour
Model Options	Standard manual / LED light / Electronic raffle model
Manual Operation	Hand-spun operation; no power supply required
Powered Models	Plug-in operation; wide voltage compatibility: 110–220V
Graphics	Free wheel-face and cabinet graphic customization
Prize Layout	Custom prize sectors, logos, colors and graphic symbols

FULLY CUSTOMIZABLE

SIZE • SHAPE • CONTOUR • PRIZE SECTORS • BRAND GRAPHICS

Available as tabletop, floor-standing or tailor-made installation formats.

01

RETAIL PROMOTIONS

Openings, anniversaries, holiday sales and spend-to-spin.

02

EXHIBITIONS & POP-UPS

Trade shows, markets and portable promotional activations.

03

CORPORATE EVENTS

Annual galas, team building and holiday prize activities.

DROP STICK REACTION GAME SERIES

PORTABLE SPEED & REFLEX CHALLENGE

COLOR OPTIONS

BLUE YELLOW CUSTOM

PRODUCT OVERVIEW

- Portable drop-stick reaction game with smart counter and remote control
- Designed for speed, reflex and hand-eye coordination challenges

APPLICATIONS

Night markets, shopping malls, team-building events, amusement venues, retail promotions and fitness interaction

POWER SUPPLY

110–240V AC / 12V BATTERY SUPPORTED

SHUNYANG AMUSEMENT

DROP STICK REACTION GAME PRODUCT SPECIFICATIONS

DROP-STICK SPEED CHALLENGE

Catch the randomly falling sticks to test reflexes, timing and hand-eye coordination.

REMOTE-ADJUSTABLE SETTINGS

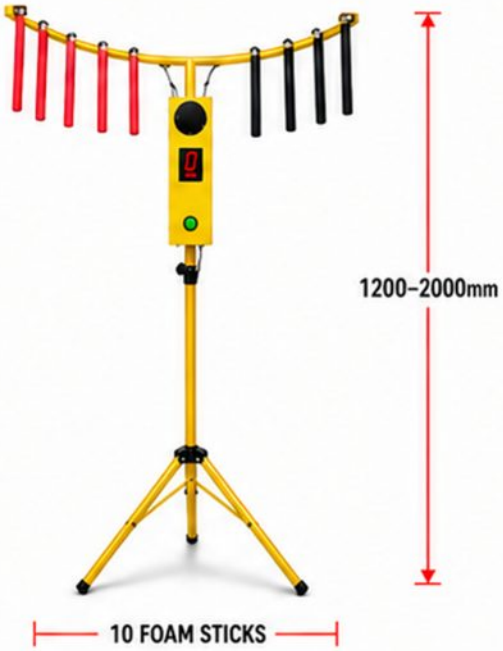

Use the remote control to adjust challenge parameters for different users and activities.

HEIGHT-ADJUSTABLE DESIGN

Telescopic tripod adjusts from 1.2 to 2.0 meters for users of different heights.

QUICK PORTABLE SETUP

Tool-free assembly for fast setup, disassembly and compact storage.

SPECIFICATION	DETAILS
Product Name	Drop Stick Reaction Game / Quick Catch Machine
Product Style	Portable Tripod Version
Carton Size	91.5 × 45 × 18 cm
Gross Weight	Approx. 10 kg
Structure	Telescopic tripod, curved hanging bar, smart counter and foam sticks
Height Range	Adjustable from 1.2 to 2.0 m
Stick Configuration	5 blue + 5 orange foam sticks; 10 total
Core Function	Remote-adjustable drop-stick speed and reflex challenge
Power Supply	110–240V AC with built-in 12V supply; supports 12V battery
Assembly	Quick tool-free assembly, disassembly and storage
Applications	Night markets, malls, events, team-building and amusement venues
Packaging	Reinforced protective carton for transport

COMMERCIAL INTERACTIVE SLOT MACHINE SERIES

CUSTOM-BUILT LUCKY REEL EXPERIENCE

PRODUCT OVERVIEW

- Classic pull-lever raffle gameplay with strong visual impact
- Bright marquee lighting and a customizable reel display
- Built for high-frequency commercial activations

STANDARD THEME **MULTICOLOR CUSTOMIZATION • BRAND GRAPHICS AVAILABLE**

POWER **110–220V WIDE VOLTAGE / PLUG-IN OPERATION**

COMMERCIAL INTERACTIVE SLOT MACHINE PRODUCT SPECIFICATIONS

SHUNYANG AMUSEMENT
SHUNYANGYOULE

HIGH-IMPACT PLAY

Classic pull-lever interaction creates an engaging raffle moment.

COMMERCIAL DURABILITY

Heavy-duty galvanized steel for demanding public venues.

GLOBAL CUSTOMIZATION

Free graphics, custom shapes and multi-language support.

FLEXIBLE REEL OPTIONS

Choose an HD display or physical mechanical reels.

SPECIFICATION	DETAILS
Product Name	Commercial Interactive Slot Machine / Lucky Reel Game
Cabinet Material	Heavy-duty galvanized steel; premium powder-coated finish
Dimensions	Fully customizable in size and exterior shape
Machine Variants	HD digital screen / Physical mechanical reels
Graphics	Free cabinet graphics and game-pattern customization
Language System	Multi-language interface support for global markets
Power Supply	Plug-in operation; wide voltage compatibility: 110–220V
Commercial Use	Designed for repeated use in high-traffic public venues

FULLY CUSTOMIZABLE

SIZE • CABINET SHAPE • BRAND GRAPHICS • GAME SYMBOLS

Screen versions support dynamic UI updates and configurable win-rate settings.

01

MOBILE ROLLING BALL MAZE SERIES

PURELY MECHANICAL HAND-EYE COORDINATION GAME

AVAILABLE FINISHES

RED BLACK GREEN CUSTOM

PRODUCT OVERVIEW

- Mechanical ball-guiding maze for focus, balance and hand-eye coordination
- Simple, safe and engaging operation with no electricity required

APPLICATIONS

Shopping malls, scenic parks, family entertainment centers, exhibitions, retail promotions and team-building activities

POWER REQUIREMENT

NO POWER REQUIRED

SHUNYANG AMUSEMENT
SHUNYANGYOULE

MOBILE ROLLING BALL MAZE PRODUCT SPECIFICATIONS

MECHANICAL MAZE CHALLENGE

Turn the steering wheel to guide the ball through the maze and reach the goal.

NO POWER REQUIRED

Purely mechanical operation with no electronics, wiring or power supply.

EASY MOBILE SETUP

Four quiet swivel casters with brakes make positioning and storage simple.

DURABLE METAL FRAME

Thickened galvanized steel offers reliable strength, wear resistance and long service life.

SPECIFICATION	DETAILS
Product Name	Mobile Rolling Ball Maze
Product Type	Purely mechanical hand-eye coordination game
Overall Size	140 × 60 × 60 cm (H × W × D)
Packing Size	146 × 81 × 81 cm
Gross Weight	Approx. 56 kg
Frame Material	Thickened galvanized steel with electrostatic coating
Surface Finish	Matte coating with high-visibility maze graphics
Mobility System	Four quiet swivel casters with brakes
Ball Configuration	Smooth, wear-resistant hollow plastic balls
Operating Mechanism	Mechanical steering-wheel maze control
Power Requirement	No electricity required
Installation	Ready to use after unpacking: no complex installation
Core Benefits	Focus, balance, hand-eye coordination and interactive play

COMMERCIAL MONEY GRAB MACHINE SERIES

HIGH-POWER CYLINDRICAL WIND CHAMBER

STANDARD FINISH

YELLOW ORANGE

PRODUCT OVERVIEW

- 360° transparent commercial chamber for bills, tickets and promotional interaction
- Eight high-power industrial fans create a strong vertical vortex

APPLICATIONS

Shopping malls, family entertainment centers, exhibitions, promotions, team-building and brand events

POWER REQUIREMENT

220V / DEDICATED CIRCUIT PROTECTION REQUIRED

SHUNYANG AMUSEMENT
SHUNYANGYOULE

COMMERCIAL MONEY GRAB MACHINE PRODUCT SPECIFICATIONS

360° PANORAMIC CHAMBER

High-transparency impact-resistant PC panels provide a clear all-around view and strong visual attraction.

POWERFUL AIR VORTEX

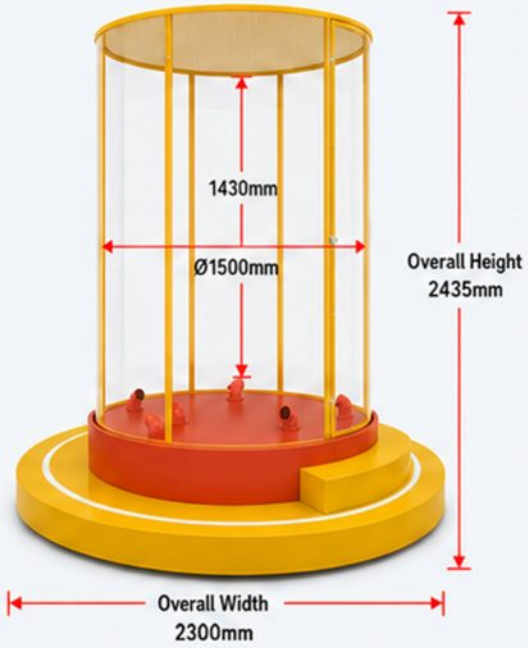

Eight 220V industrial fans generate a strong vertical airflow for bills and tickets.

DYNAMIC COLOR LIGHTING

Full-color segmented LED strips around the stepped base create flowing, colorful effects.

COMMERCIAL ELECTRICAL SAFETY

Use a dedicated circuit breaker or leakage-protection device. Never connect to an ordinary household power strip.

SPECIFICATION	DETAILS
Product Name	Commercial Cylindrical Money Grab Machine
Overall Size	2300 mm (W) × 2435 mm (H)
Chamber Size	Ø1500 × 1430 mm (D × H)
Main Enclosure	High-transparency impact-resistant polycarbonate (PC) panels
Top Protection	Metal anti-fly mesh cover
Base Structure	Thickened galvanized steel base with anti-slip red finish and yellow stepped edge
Fan System	8 × 220V high-power industrial fans
Fan Power	610W each; total fan power 4.88 kW
Lighting System	Full-color segmented LED strips around the stepped base
Rated Load	Nearly 5 kW total power
Electrical Requirement	Dedicated circuit breaker or leakage-protection device required
Safety Warning	Do not connect to ordinary household extension strips or power boards
Applications	Malls, FECs, events, exhibitions, promotions and team-building

TAP CHALLENGE GAME SERIES

LIGHT-GUIDED REACTION & SPEED GAME

TWO SETUP OPTIONS

- WALL-MOUNTED
- TABLETOP

PRODUCT OVERVIEW

A light-guided tapping challenge for reaction speed, coordination and competitive play.

APPLICATIONS

Indoor playgrounds, family parks, gyms, events and team-building activities.

INSTALLATION

Simple assembly for wall-mounted or tabletop use.

SHUNYANG AMUSEMENT
SHUNYANGYOULE

TAP CHALLENGE GAME

PRODUCT SPECIFICATIONS

10 LED TAP BUTTONS

Built-in indicator lights activate each hit target.

DUAL DIGITAL DISPLAY

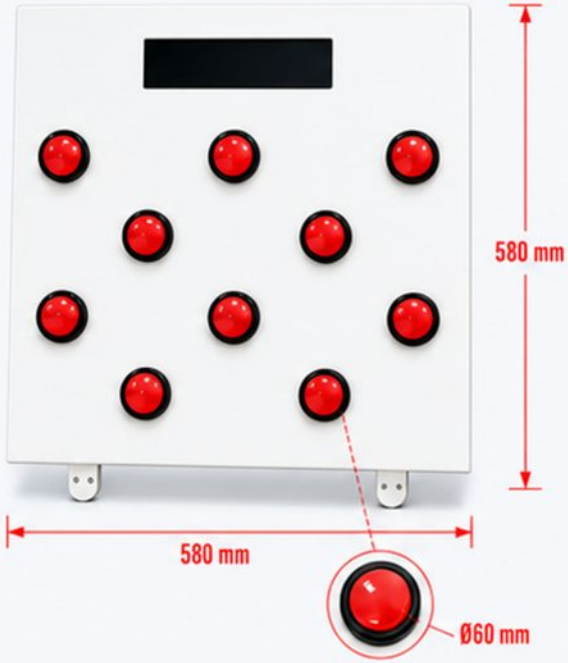

High-brightness display supports timing and scoring.

CUSTOM GAME MODES

Game mode and challenge duration can be configured.

INSTANT FEEDBACK

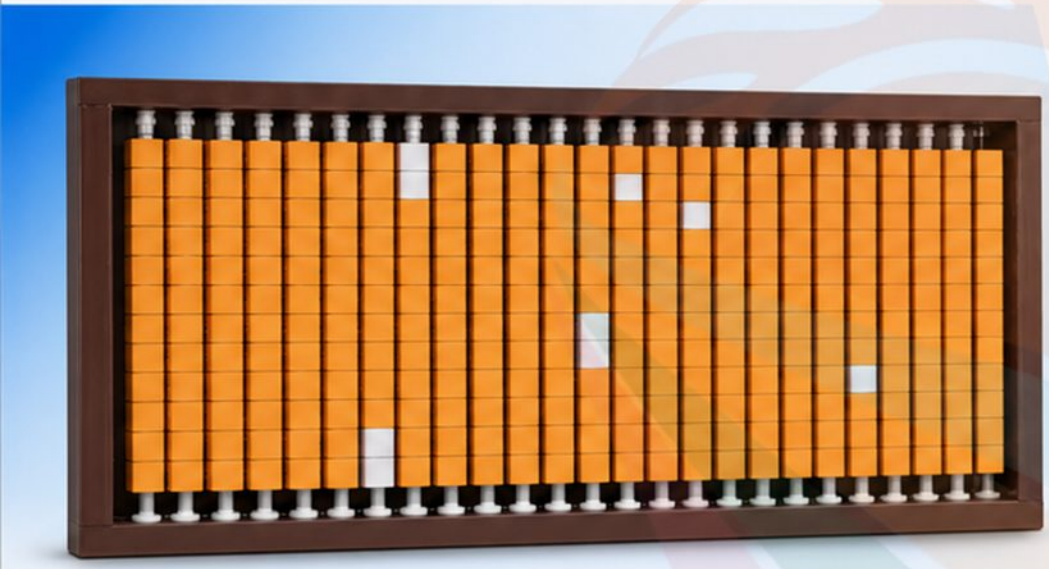

Real-time scoring and light cues keep players engaged.

SPECIFICATION	DETAILS
Product Name	Tap Challenge Game
Product Type	Interactive tapping amusement game
Overall Size	580 × 580 mm
Packing Size	600 × 600 mm
Packed Weight	Approx. 10 kg
Button Quantity	10 buttons
Button Diameter	Standard Ø60 mm
Main Frame	Thickened metal construction
Surface Finish	Electrostatic powder coating
Display Module	High-brightness timing and scoring display
Control Module	Configurable game mode and duration
Lighting Module	Built-in LED indicators with hit activation
Core Functions	Timed challenge, live scoring and light feedback
Installation	Wall-mounted or tabletop setup

FLIP TILE WALL SERIES

INTERACTIVE DOUBLE-SIDED DISPLAY SYSTEM

CUSTOM COLORS

220V AC CONNECTION REQUIRED

SHUNYANG AMUSEMENT
SHUNYANGYOULE

GATLING WATER CANNON PRODUCT SPECIFICATIONS

LONG-RANGE WATER BLAST

Effective shooting range of 5–10 meters for engaging water-play attractions.

DURABLE HYBRID CONSTRUCTION

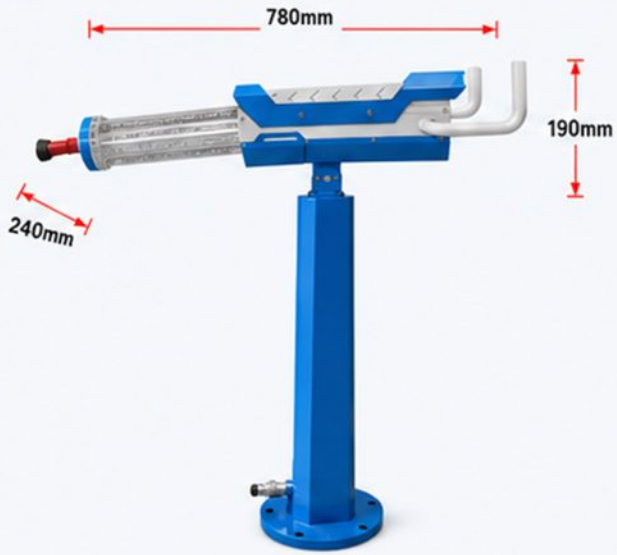

Eco-friendly ABS plastic, a metal enclosure and electronic components.

STABLE PEDESTAL MOUNT

Floor-mounted support keeps the cannon stable during operation.

SAFE OPERATION

Never aim at eyes or face. Do not use hot, corrosive or sediment-filled water. Do not immerse the unit.

SPECIFICATION	DETAILS
Product Name	Gatling Water Cannon
Recommended Age	6 years and above
Product Size	78 × 24 × 19 cm (L × W × H)
Packing Size	52 × 29.8 × 15.6 cm
Main Materials	Eco-friendly ABS plastic, metal enclosure and electronic components
Packing Method	Iron frame
Effective Range	5–10 m
Power Supply	220V AC connection required
Mounting Style	Pedestal-mounted floor installation
Safety Direction	Do not aim at eyes, face or other vulnerable body areas
Fluid Restrictions	Do not use hot water, corrosive liquids or water containing sand or mud
Water Protection	Do not immerse the complete machine in water

STEP-TO-LIGHT CHALLENGE SERIES

INTERACTIVE SPEED & ENDURANCE GAME

CUSTOM OPTIONS

WHITE BLUE GREEN CUSTOM

PRODUCT OVERVIEW

- Step faster to light every LED around the circular track.
- Interactive, energetic and easy to operate.

APPLICATIONS

Family entertainment centers, indoor playgrounds, malls, sports events and brand activations.

CUSTOMIZATION

Housing color, LED color and brand logo can be customized.

SHUNYANG AMUSEMENT
SHUNYANGYOULE

STEP-TO-LIGHT CHALLENGE PRODUCT SPECIFICATIONS

STEP-ACTIVATED LIGHTING

LED points illuminate progressively according to stepping speed.

SMART TIMING DISPLAY

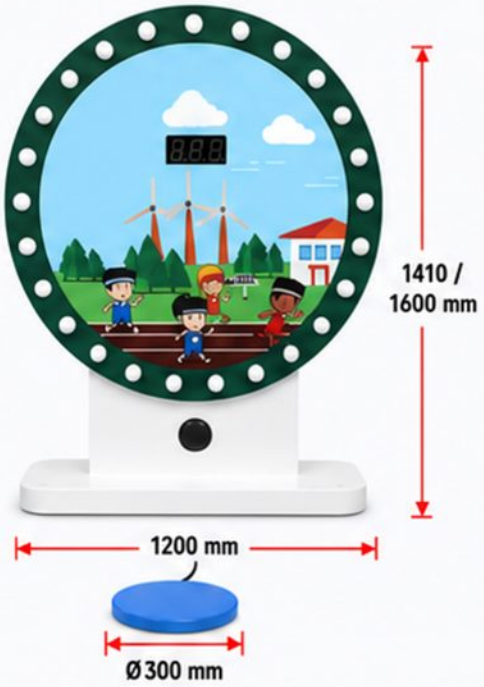

3-digit LED timer with a maximum display of 999 seconds.

DURABLE SENSOR PEDAL

Metal pedal with vibration-pressure sensing; waterproof and wear-resistant.

STABLE & SAFE

Weighted anti-tip base, low-voltage LEDs and smooth, rounded edges.

SPECIFICATION	DETAILS
Product Name	Step-to-Light Challenge Game
Overall Size	141 × 120 cm / 160 × 120 cm
Pedal Size	Ø300 mm round sensing pedal
Frame Material	Thickened cold-rolled steel with powder coating
Display	3-digit LED timer, up to 999 seconds
Sensor Pedal	Metal panel with vibration-pressure sensor
Lighting	Progressive track LEDs with multi-color modes
Game Rule	Step rapidly; faster steps light the track faster
Completion	Challenge ends when all LED points are illuminated
Load Capacity	Pedal supports up to 160 kg
Customization	Housing color, LED color and brand logo

GESTURE MUSIC LIGHT COLUMN SERIES

TOUCH-FREE RGB INTERACTIVE LIGHTING

RGB LIGHTING MODES

CYAN MAGENTA AMBER CUSTOM

PRODUCT OVERVIEW

- Touch-free gesture control changes light colors and dynamic effects
- Fast response and low-power operation for long-duration use

APPLICATIONS

Exhibitions, events, shopping malls, entertainment venues, hotel lobbies and interactive installations

POWER SUPPLY

AC 220V 50/60Hz / 60W PER UNIT

SHUNYANG AMUSEMENT

GESTURE MUSIC LIGHT COLUMN PRODUCT SPECIFICATIONS

TOUCH-FREE GESTURE CONTROL

Radar sensing responds to hand movements without physical contact.

FULL-COLOR RGB LIGHTING

Solid colors, gradients, chase and flowing effects create vivid visual impact.

MULTI-UNIT SYNCHRONIZATION

Multiple columns can operate together as waves, chases or zoned color scenes.

CUSTOM SCENE MODES

Preset and custom programs switch quickly for events, exhibitions and entrances.

SPECIFICATION	DETAILS
Product Name	Gesture Music Interactive Light Column
Overall Height	2008 mm including top sensing module
Recommended Clearance	Minimum 2200 mm installation height
Frame Material	1.5 mm thickened galvanized steel
Surface Treatment	Electrostatic coating for rust and wear resistance
Light Source	Full-color RGB LED strip, high CRI and flicker-free
Lighting Effects	Solid-color, gradient, chase and flowing modes
Gesture Sensor	Non-contact radar sensing; response time ≤ 0.2 s
Rated Power	60W per unit
Power Input	AC 220V 50/60Hz with 12V transformer
Linked Operation	Supports synchronized multi-unit effects
Installation	Freestanding placement or four-point base fixation
Cable Routing	Hidden cable exit through the base

SNAIL BIKE SERIES

INTERACTIVE PEDAL-POWERED FITNESS SYSTEM

TWO SIZE OPTIONS

CHILD MODEL | ADULT MODEL

PRODUCT OVERVIEW

Interactive fixed bike for fitness, play and connected outdoor experiences.

Available in child and adult sizes.

APPLICATIONS

Scenic areas, commercial plazas, children's parks and indoor exhibition venues.

CUSTOMIZATION

Frame color and surface finish can be customized.

SNAIL BIKE

PRODUCT SPECIFICATIONS

SCREEN DATA LINKAGE

Sends speed, distance and calorie data to an external display.

FOUNTAIN LINKAGE

Cycling speed can control fountain height and rhythm.

LIGHT-STRIP LINKAGE

Riding status can synchronize light color and brightness.

CHILD & ADULT SIZES

Two specifications support different users and venues.

ADULT MODEL

CHILD MODEL

SPECIFICATION	DETAILS
Product Name	Snail Bike
Available Models	Child model and adult model
Child Size	870 × 955 mm (L × H)
Adult Size	1200 × 1200 mm (L × H)
Net Weight	Child: 33.4 kg / Adult: 40 kg
Frame Material	Metal construction
Surface Finish	Eco-friendly electrostatic powder coating
Screen Linkage	Speed, distance and calorie data output
Fountain Linkage	Speed-controlled fountain height and rhythm
Lighting Linkage	Synchronized color and brightness changes
Applications	Indoor and outdoor venues

GIANT RING BIKE SERIES

PEDAL-POWERED INTERACTIVE ATTRACTION

CUSTOM COLORS

BLUE RED YELLOW CUSTOM

PRODUCT OVERVIEW

- Oversized layered ring design with an immersive cycling experience.
- Ergonomic riding position for smooth, comfortable operation.

APPLICATIONS

Scenic areas, shopping malls, amusement parks, campsites and indoor or outdoor venues.

POWER SYSTEM

SELF-GENERATING • 12 V / 100 W OUTPUT

SHUNYANG AMUSEMENT
SHUNYANGYOULE

GIANT RING BIKE PRODUCT SPECIFICATIONS

OVERSIZED RING DESIGN

Layered circular structure creates a strong visual landmark.

OUTDOOR-GRADE BUILD

Weather-resistant coated metal panels help resist UV and rust.

SELF-POWERED SYSTEM

Pedal-driven generation with 12 V / 100 W output.

STABLE STEEL BASE

Thickened welded base provides reliable structural support.

SPECIFICATION	DETAILS
Product Name	Giant Ring Bike
Overall Size	198 × 59.5 × 204.5 cm
Packing Size	205 × 66 × 224 cm
Net Weight	155 kg, excluding packaging
Main Frame	1.5 mm galvanized steel plate
Outer Panels	Outdoor-grade painted metal panels
Drive System	Self-generating, 12 V / 100 W output
Base	Thickened welded steel construction
Surface Finish	Outdoor weather-resistant powder coating
Operation	Stable performance for indoor and outdoor use
Installation	Complete-unit transport; simple installation
Customization	Overall colors and graphics can be customized

GIANT WHEEL BIKE SERIES

SELF-POWERED IMMERSIVE RIDING EXPERIENCE

STANDARD FINISH

WHITE | YELLOW ACCENT | CUSTOM

PRODUCT OVERVIEW

- Oversized layered ring creates an eye-catching immersive attraction
- Self-powered operation with a comfortable ergonomic riding position

APPLICATIONS

Scenic attractions, shopping malls, amusement parks, outdoor camps and experiential venues

SEALED METAL HOUSING

Rounded curved metal panel and integrated enclosure provide a durable, impact-conscious design.

MULTIPLE PLAYBACK MODES

Flexible playback management supports different exhibition and educational experiences.

SPECIFICATION	DETAILS
Product Name	Interactive Listening Horn
Overall Size	250 × 375 mm (W × H)
Net Weight	Approx. 2.5 kg per unit
Housing Material	Metal
Enclosure Design	Rounded curved panel with integrated sealed housing
Color Options	Custom colors available
Storage	SD card; supports multiple audio files
Proximity Playback	Optional near-field sensor; play on approach and pause on exit
Audio Upload	Replace customized audio files through the SD card
Playback Control	Multiple playback modes
Power Supply	DC 12V
Installation	Desktop placement or wall-mounted installation
Standard Accessories	Power adapter and wall-mount kit
Optional Accessories	Lithium battery pack and multi-unit controller
Applications	Museums, tourism sites, children's centers and science classrooms
Customization	Custom housing colors and shapes

ROLLING BALL MAZE SERIES

MECHANICAL HAND-EYE COORDINATION GAME

CUSTOM COLORS

YELLOW BLUE RED GREEN

PRODUCT OVERVIEW

- Mechanical ball-guiding maze for focus, balance and hand-eye coordination
- Simple, safe and easy to operate

APPLICATIONS

Family entertainment centers, indoor playgrounds, malls, educational activity zones and events

POWER REQUIREMENT

NO POWER REQUIRED

SHUNYANG AMUSEMENT
SHUNYANGYOULE

ROLLING BALL MAZE PRODUCT SPECIFICATIONS

MECHANICAL MAZE CHALLENGE

Rotate the steering wheel to guide the ball through the maze and reach the goal.

DURABLE DUST COVER

Clear acrylic cover protects the maze and prevents ball loss.

EASY MOBILE SETUP

Four quiet swivel casters with brakes make moving and positioning simple.

NO POWER REQUIRED

Purely mechanical operation with no electronics, wiring or power supply.

SPECIFICATION	DETAILS
Product Name	Mobile Rolling Ball Maze
Overall Size	60 × 60 × 123 cm (L × W × H)
Packing Size	71 × 71 × 130 cm (L × W × H)
Frame Material	Thickened cold-rolled steel with electrostatic powder coating
Surface Performance	Rust-resistant, wear-resistant and deformation-resistant
Mobility System	Four quiet swivel casters with brakes
Protective Cover	Durable acrylic dust cover to prevent ball loss
Ball Configuration	Hollow plastic balls with smooth, wear-resistant rolling
Operating Mechanism	Purely mechanical steering-wheel control
Power Requirement	No electricity required
Installation	Ready to use after unpacking; no complex installation
Core Benefits	Hand-eye coordination, focus, balance and interactive play

BASKETBALL TAP CHALLENGE SERIES

RANDOM LIGHTS · INTERACTIVE TAPPING · REAL-TIME SCORING

CUSTOM COLORS

YELLOW BLUE RED CUSTOM
